## Moving Tips

- ▶ Visit the **M-Movers Guide** and fill out the forms online or turn in in person, usually 2-4 weeks ahead of the move.
- ▶ Notify our charge cards, magazine subscriptions, and bank of the change of address.
- ▶ Develop a list of friends, relatives, and business colleagues who need to be notified of the move.
- ▶ Arrange to have utilities disconnected at your old home and connected at your new one.
- ▶ Cancel the newspaper.
- ▶ Check insurance coverage for moved items. Usually movers only cover what they pack.
- ▶ Clean out appliances and prepare them for moving, if applicable.
- ▶ Note the weight of the goods you'll have moved, since long-distance moves are usually billed according to weight. Watch for movers that use excessive padding to add weight.
- ▶ Check with your condo or co-op about restrictions on using the elevator or particular exits.
- ▶ Have a "first open" box with the things you'll need most—toilet paper, soap, trash bags, scissors, hammer, screwdriver, pencils and paper, cups and plates, water, snacks, and toothpaste.

### Plus, if you're moving out of town :

- ▶ Get copies of medical and dental records and prescriptions for your family and your pets.
- ▶ Get copies of children's school records for transfer.
- ▶ Ask friends for introductions to anyone they know in your new neighborhood.
- ▶ Consider special car needs for pets when traveling.
- ▶ Let a friend or relative know your route.
- ▶ Carry traveler's checks or an ATM card for ready cash until you can open a bank account.
- ▶ Empty your safety deposit box.
- ▶ Put plants in boxes with holes for air circulation if you're moving in cold weather.
